# Digital skills

Currently being delivered online this informal course improves learner confidence by helping participants gain new skills in the use of digital devices used in both work and home life, such as Tablets and Smartphones. Our tutors will help learners demystify what can often seem complex and confusing! Participants will have the opportunity to address specific needs around their own devices. Learners are encouraged to work together and support each other's learning.

**Learners:** Those looking to update or learn new digital skills

**Duration:** Flexible. Typically 8 – 12 hours

**Tailored workplace learning:** To discuss how this course could be tailored to meet your needs and get a quote for course delivery, please email Archie Campbell [a.campbell@wea.org.uk](mailto:a.campbell@wea.org.uk) or Janice Wimpenny [j.wimpenny@wea.org.uk](mailto:j.wimpenny@wea.org.uk) Or Call **0131 226 3456**.
