

Keep yourself safe

WEA Adult Learning
Within Reach

Keep yourself safe

Cyber-resilience

More and more services are provided online, online banking, shopping, applying for jobs or through applications that have been downloaded. Do you know what personal information is saved on your smartphone, tablet and PC and how it is used? Do you know how others can get hold of your personal data? This workshop introduces participants to the potential risks in how they and their families operate at home and at work to reduce the risks of data loss or theft.

This course is currently delivered online.

Learners: Those looking to learn more about personal online security

Duration: Flexible. Typically a half or one day course

Tailored workplace learning: To discuss how this course could be tailored to meet your needs and get a quote for course delivery, please email Archie Campbell a.campbell@wea.org.uk or Janice Wimpenny j.wimpenny@wea.org.uk Or Call **0131 226 3456**.
