Making Fairer Workplaces

Through participation in this short course learners will gain an awareness and a practical understanding of:

- the remit of the Fair Work Convention
- Fair Work Framework and the five dimensions of Fair Work (effective voice, opportunity, security, fulfilment and respect)
- tools used to establish a baseline and identify practical steps to progress employers' fair work journey methods for moving Fair Work forward in the workplace
- best practice to address Fair Work practices in the workplace
- Fair Work and the role of Trade Unions

Participants will feel confident to provide informed advice on the Fair Work Framework and the five dimensions, to inform wider colleague engagement in the workplace.
