Digital skills

Delivered in a variety of settings, these informal courses upskill people and boost confidence by helping participants gain new skills in the use of digital devices used in both work and home life, such as tablets and mobile phones. Individuals have the opportunity to address specific needs around their own devices. Learners are encouraged to work together and support each other's learning.

Learners: Those looking to update or learn new digital skills

Duration: 3 hours

Tailored workplace learning: To discuss how this course could be tailored for your members or employer's needs and to get a quote for course delivery, please contact Shazia Shahid via email sshahid@wea.org.uk or Ray McCowan R.McCowan@wea.org.uk Or Call **0131 226 3456**.
